ZERO CLEARANCE GAS FIREPLACES

CAT# 20200401

FOR CONTRACTORS & PROJECT MANAGERS

Savannah is proud to bring you their Elite Series of builder direct vent gas fireplaces.

The Elite Series is a line designed with the builder in mind; easy to install and easy to service if necessary. Yet also designed to look sleek and elegant and with that big beautiful flame you expect from a Savannah designed gas fireplace!

All Elite Series units come only one way, standard w/ electronic ignition and full fan kits. You can also add a basic thermostat remote if desired.

The Elite Series by Savannah is a builder line of fireplaces that steps up your expectations of what a builder unit can be!!!

SIMPLE ■ ELEGANT ■ EASY

Quality Craftsmanship

Savannah's products are designed with superior components and materials, assembled by trained craftsmen who take great pride in their work. The burner and valve assembly are leak tested and test fired at a quality control test station. Once assembled the complete fireplace is thoroughly inspected by a qualified technician, before packaging, to ensure that you, the customer, receives the quality product that you expect from Savannah.

Savannah shall not be liable for any direct, indirect, consequential or incidental damages about the use of this catalog or any related materials. The information in this catalog is advisory in nature and is subject to change. Savannah may make improvements and changes to these products without notice. Changes will be periodically made to the information in the new editions. Efforts have been made to ensure that the contents of this Catalog are correct. Should you find any error, Savannah welcomes your comments to improve our communications, please contact Savannah on 1 604 231 8923.
